Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

We need funding to Renovate two abandoned locker rooms, it to usable classroom space. These locker rooms were vacated twenty two years ago, and there were plans (sfb) at the time to create a music / storage complex. Currently these rooms are not suitable for anything but storage. The Oracle School District Would like to close our Oracle Ridge Campus, by relocating our Kindergarten and Preschool students to the Mountain Vista Campus. This additional classroom space will help us achieve this goal.

Project Category: General Renovations

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N
